💼 EXPERIENCE

Computer Science Intern

Ministry of Cabinet Affairs — Prime Minister's Office

Sheikh Khalifa Government Excellence Program · Dubai, UAE · June – July 2026

- Built an agentic AI system automating interview scheduling end to end across Microsoft Teams, Outlook, and Calendar, leaving administrators a single approval step.
- Shipped the front end of a candidate submission page, now live on the MBRGEA website and the trigger for the scheduling agent.
- Analysed MBRGEA 2026 participation and entity readiness data; presented rankings and findings to department heads.
- Drafted the department's agentic AI transformation roadmap and contributed as its technical voice in planning sessions.
- Fixed front-end issues on the live SKGEP site in Sitefinity CMS and prototyped an interface in Figma.
