

Hamda Raed Bahakeem

Hamdabahakeem77@gmail.com | Abu Dhabi, UAE

PROFESSIONAL SUMMARY

Motivated Computer Science junior with a strong academic record and a passion for building practical, user-centered software. "Experienced in object-oriented programming, web development, and building real-world software projects. Dean's List honoree and selected for a competitive semester abroad at George Washington University. Actively seeking a technology internship to apply skills and contribute to innovative engineering projects.

EDUCATION

American University of Sharjah	Sharjah, UAE
<i>B.Sc. Computer Science Junior, Expected Graduation: Spring 2027 CGPA: 3.48</i>	<i>Sep 2022 – Present</i>
• Dean's List: Spring 2024 & Fall 2024 (consecutive)	
George Washington University — Study Abroad (Semester Exchange)	Washington D.C., USA
<i>Computer Science Program (Top 5% nationally) Competitively selected by AUS</i>	<i>Spring 2026</i>
Emirates National School	Abu Dhabi, UAE
<i>High School Diploma Grade 12 Average: 98.1%</i>	<i>Graduated 2022</i>
• Student Excellence Award: Grade 11 & Grade 12	

PROJECTS

SkillSwap — Entrepreneurship Project

Mobile App Development | American University of Sharjah

- Designed and developed a peer-to-peer skill-sharing mobile application enabling users to exchange skills and knowledge.
- Led product ideation, user experience design, and technical implementation as part of a cross-functional team.
- Presented the business concept and prototype to faculty and industry evaluators.

Smart Fridge — Web Design & Programming Project

Java Application | American University of Sharjah

- Built a Java-based smart fridge management system that tracks ingredient inventory in real time.
- Implemented a recipe suggestion engine that recommends meals based on available ingredients.
- Designed an intuitive interface to help users reduce food waste and streamline meal planning.

TECHNICAL SKILLS

Programming Languages	C++, Java, Python
Web Technologies	HTML, CSS, JavaScript
Tools & Platforms	Git, GitHub
Soft Skills	Critical Thinking, Problem Solving, Team Collaboration

CERTIFICATIONS

AI & Deep Learning Certificate — DeepLearning.AI

Online | 2022

- Completed a comprehensive online course in artificial intelligence and deep learning fundamentals independently.
- Gained foundational knowledge in neural networks, machine learning pipelines, and AI applications.
